

As Wine Director for a reputable restaurant, I relish in the challenge of guiding the evolution of our exciting wine program. The kitchen's commitment to excellence demands that we nurture the growth of a purposeful and carefully-selected wine list to complement our fine Greek cuisine. Our wine list is also dotingly expanded with approachability, value, and quality always in mind. While special attention is paid to showcasing Hand Crafted Greek Wines. We currently offer over 730 wines, with 60 of these also available by the glass. Our wine list is constantly evolving, offering weekly by-the-glass specials, as well as several high-end wines, typically only available by the bottle. Our wine program also includes monthly wine specials, quarterly winemaker dinners, and themed tastings menu. We hope that you will enjoy what we believe to be an inspired selection of beautiful wines. And, please don't hesitate to ask any member of our team if you have any questions about our wine program or would like a wine pairing recommendation.

Cheers, Kamal Kouiri
